CELEBRATING

REACHING THE LEAST, LAST & LOST

Liebenzell USA is celebrating 75 years of faithful mission work worldwide with a two day event at our historic Schooley's Mountain headquarters.

Meet our missionaries past and present from Papua New Guinea to Palau during our Friday night panel followed by dessert and coffee. Then join us again Saturday for Praise Music, a Mission Focused Program, Free Food, and a tour of our Historic Grounds (a registered New Jersey Historic Site).

Check out our website for the itinerary and more information. All are welcome!
